

Workshop for auditors on Mounded Storage Vessels and its Cathodic Protection System

Need was felt to train the auditors who are on OISD panel for ESA and on the internal audit panel of OMC.

To achieve this, one day “Workshop for Auditors for Mounded Storage Vessels and its CP System” was organised by Marketing Operations (LPG) group of OISD at HPCL LPG Bottling Plant, Loni, Ghaziabad on 29th of Sep’2016.

The workshop was attended by 24 participants from M/s. Indian Oil Corporation Ltd., M/s. Bharat Petroleum Corporation Ltd., M/s. Hindustan Petroleum Corporation Ltd. and OISD.

The workshop was held for providing training to Auditors for checking the CP system of MSV's to confirm effectiveness / adequacy of the installed CP system as per OISD guidelines / NACE / ISO standards.

The training involved technical presentation with a visit to the MSV's for practical demonstration.

Faculty for the workshop was Sh. K.B. Singh, coatings and cathodic protection consultant.

The workshop was well received by the participants. Participants requested that similar workshop should be organised for Engineering Officers and Plant Maintenance Officers.
