ERRATA AND UPDATION (NOVEMBER 2022)

5.3.1 Fire proofing of **"Multilevel Equipment Structures"**

In clause 5.3.1 discussing **"FIREPROOFING INSIDE PROCESSING UNITS : Multilevel Equipment Structures"**, reference has been made under the sub headings clause 5.3.1(a), 5.3.1 (d) and 5.3.1(e) to a sketch **'Fig 5.1'** in the standard.

However, inclusion of Fig. 5.1 was inadvertently missed out while issuance of few of recent edition of revision (year 2015 and after). Hence, the same has been included in the standard as page no. 23(a).

ERRATA AND UPDATAION (NOVEMBER-2022)

Following sketch to be referred as `Fig.5.1' as discussed in Cl. 5.3.1(a), 5.3.1(d) and 5.3.1(e) of OISD-STD-164.

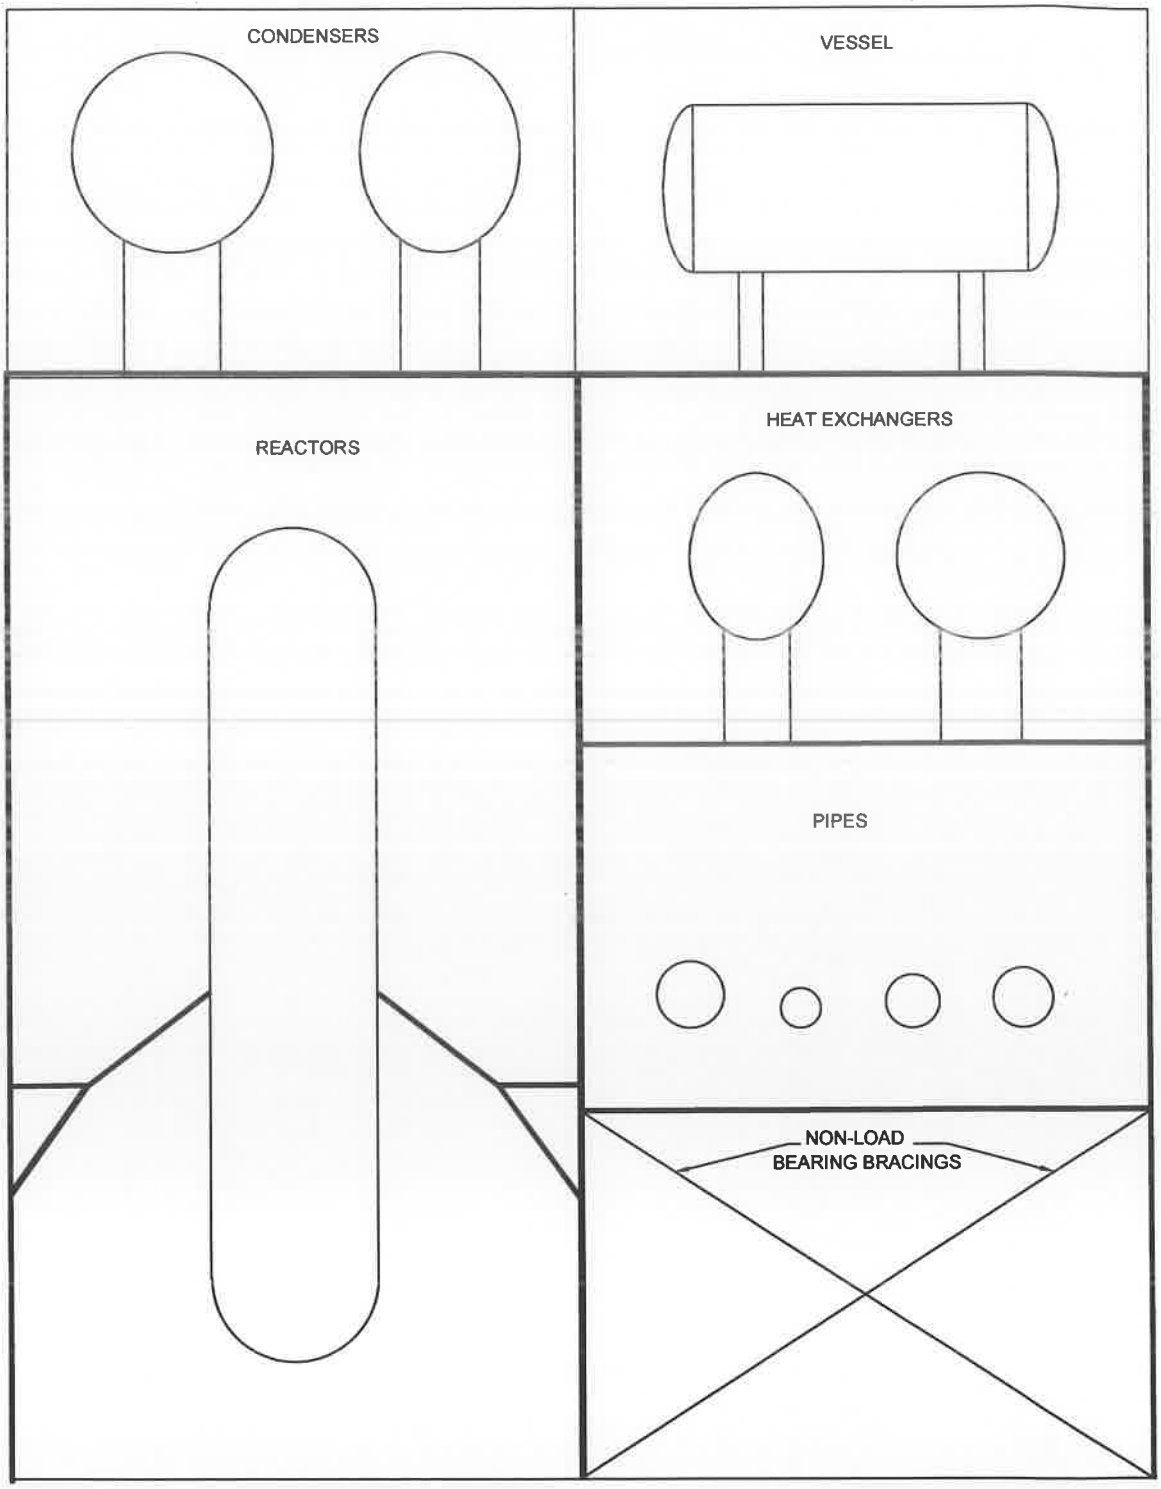

Fig.NO.5.1:- Structures supporting fire potential equipment in a fire exposed area.

Note :- _____ Shows Fire Proofing.
